

LUMATICS LAB - CONVERTORS

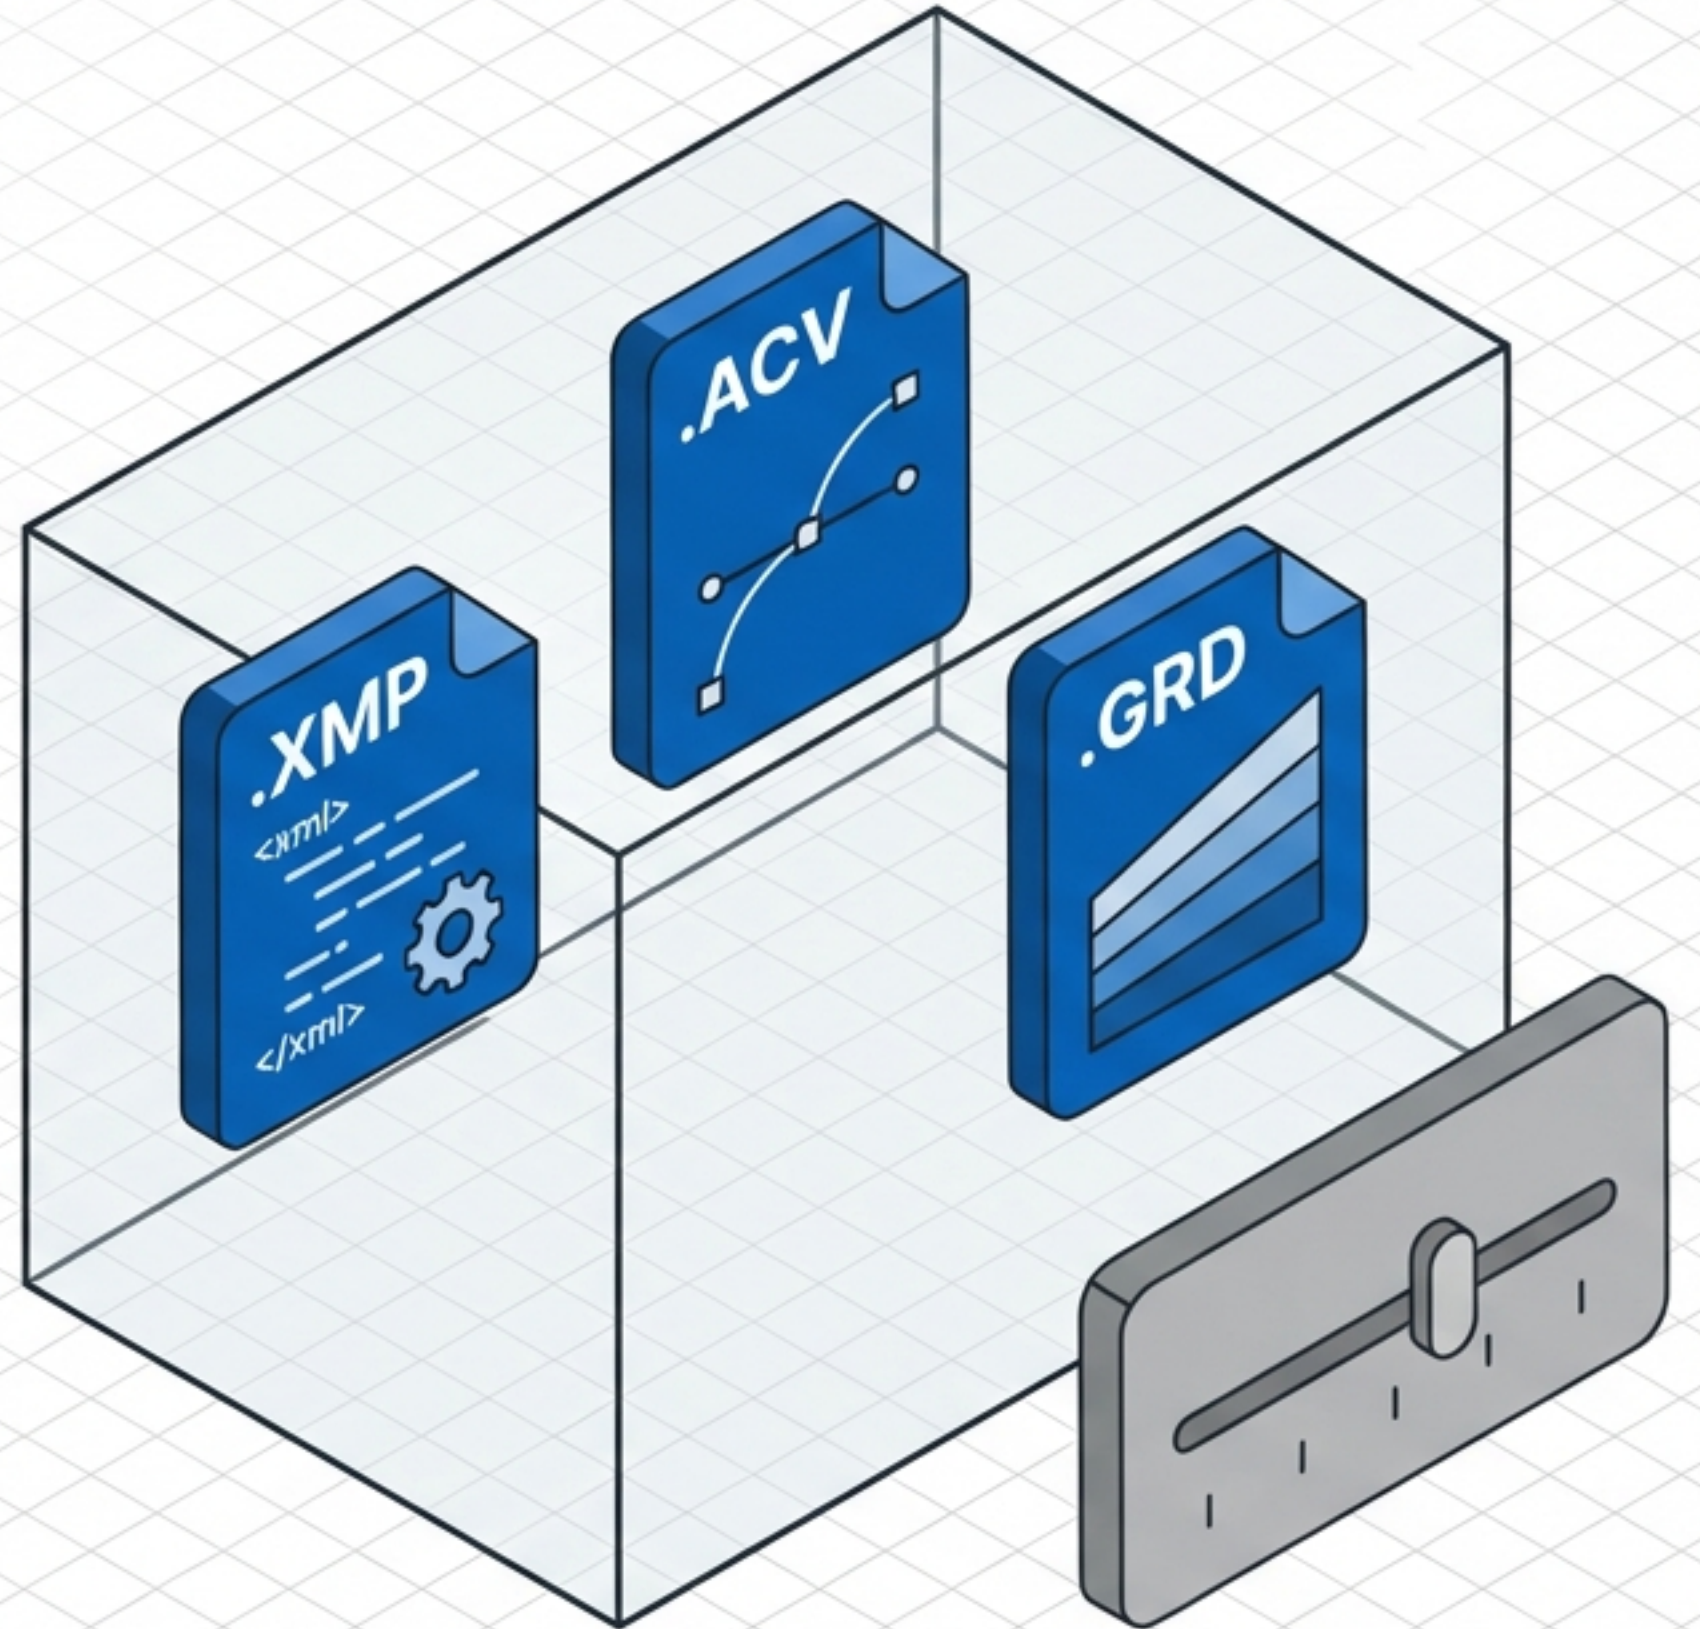

PROTECT YOUR CREATIVE INVESTMENT

Browser-Based. Local. Free.

Don't let your best edits get trapped.

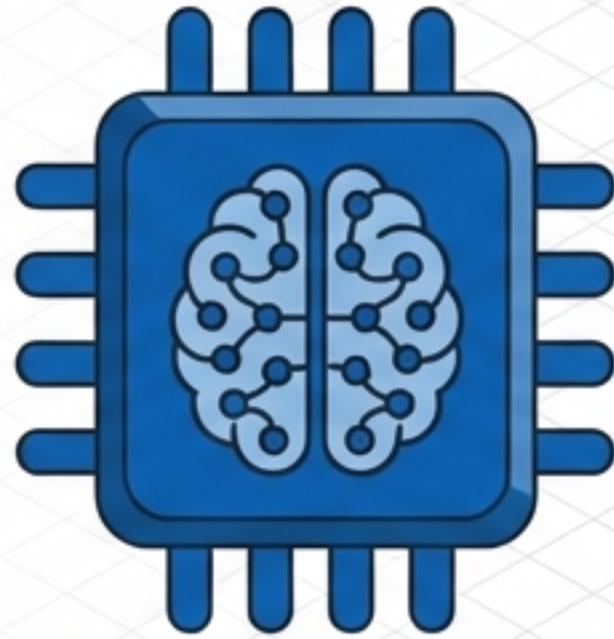

You create a perfect look in one app, but proprietary formats lock it away. Adjustments shouldn't be dead ends.

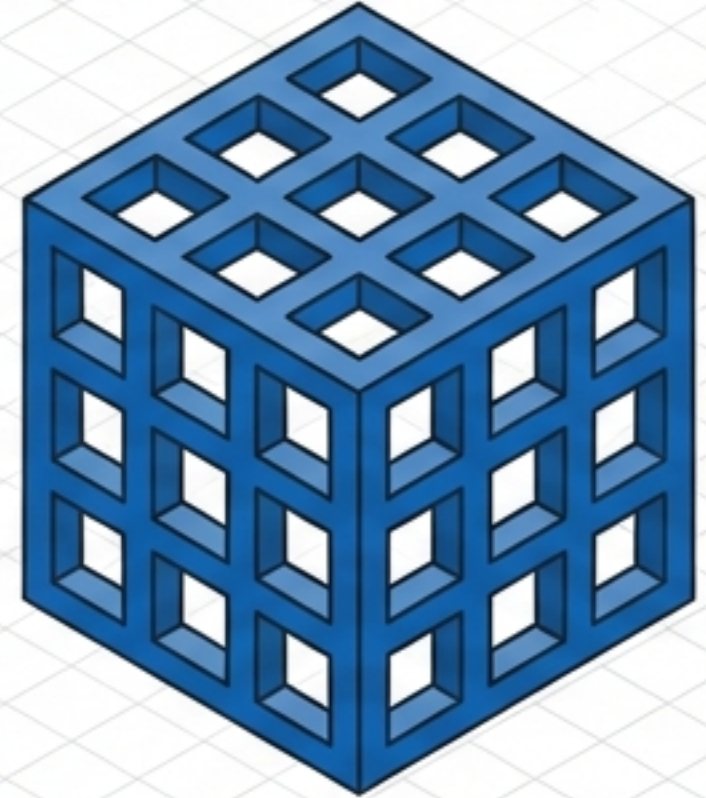

Create Once. Use Anywhere.

Your Adjustment File

Lumatics Lab AI

Universal 33³ LUT

We convert vendor-specific formats into the universal language of color.

Zero Friction.

Browser-Based

No installs. No plugins.

Free

No subscriptions or accounts.

Private

Local processing only.

Runs on Chromebooks, Laptops, and Desktops.

We speak your language.
